

RECORD OF PROCEEDINGS  
AIR FORCE BOARD FOR CORRECTION OF MILITARY RECORDS

IN THE MATTER OF:

DOCKET NUMBER: 98-02333

FEB 25 1999

COUNSEL: NONE

HEARING DESIRED: NO

[REDACTED]

Applicant requests that the one-month extension of his enlistment be canceled and he be given the opportunity to reenlist in his current Air Force Specialty Code (AFSC) prior to completing ten years in the service. Applicant's submission is at Exhibit A.

The appropriate Air Force office evaluated applicant's request and provided an advisory opinion to the Board recommending the application be denied (Exhibit C). The advisory opinion was forwarded to the applicant for review and response (Exhibit D). As of this date, no response has been received by this office.

After careful consideration of applicant's request and the available evidence of record, we find insufficient evidence of error or injustice to warrant corrective action. The facts and opinions stated in the advisory opinion appear to be based on the evidence of record and have not been rebutted by applicant. Absent persuasive evidence applicant was denied rights to which entitled, appropriate regulations were not followed, or appropriate standards were not applied, we find no basis to disturb the existing record.

Accordingly, applicant's request is denied.

The Board staff is directed to inform applicant of this decision. Applicant should also be informed that this decision is final and will only be reconsidered upon the presentation of new relevant evidence which was not reasonably available at the time the application was filed.

Members of the Board Mr. Benedict A. Kausal IV, Mr. Patrick R. Wheeler, and Mrs. Margaret A. Zook considered this application on 5 Jan 99 in accordance with the provisions of Air Force Instruction 36-2603 and the governing statute, 10 U.S.C. 1552.

SUBJECT: Application for Correction of Military Records  
[REDACTED]

The applicant is requesting cancellation of the one month extension and the opportunity to reenlist prior to ten years.

The applicant alleges miscounseling by the Military Personnel Flight (MPF) regarding the option to reenlist. However, he has provided no evidence (i.e. statement from MPF counselor) to collaborate this allegation. In fact, the evidence submitted indicates the contrary. The applicant initialed the applicable items in sections VIII and IX of the attached AF Form 1411, Extension of Enlistment Contract. One item reads "I have considered the advantages of reenlisting instead of executing this extension. I understand..? Another states "I know that I can reenlist rather than extend, but I have elected to execute this extension instead of reenlisting." Both of these statements clearly indicate the applicant was aware of the reenlistment options. Based on the above, recommend disapproval of the applicant's request.
